Volunteer Work

I Can Foundation

I was in charge of education unprivileged children. We conduction regular tution sessions for the kids. We also conducted various informative sessions for the parents. We successfuly improved their test scores.

Kadam Foundation

I was on of the founding members in this foundation. We performed various plantation drives. We conducted session education people about the need of an healthy and greener environement.

Projects

Personal Portfolio Website

In this project I created a personal portfolio website using HTML, CSS and Javascript

- UI and UX: Built a user appealing website emphasizing on user satisfaction.
- Responsive: Implemented features for a responsive website so that the user can interact with it.
